RELAXING MESSAGES

Anti-Stress (60 min)

Release tension and restore inner calm with a soothing massage designed to relax muscles, ease mental stress, and bring a sense of total well-being. Perfect for rebalancing body and mind after a busy day.

Pre-mama (60 min)

A gentle and soothing massage specially designed for expectant mothers. Adapted to the specific needs of pregnancy, this treatment helps relieve tension, reduce discomfort, and promote deep relaxation. Performed with neutral almond oil, it is safe, nourishing, and ideal for caring for both body and mind during this special stage.

Sóller Sensations (60 min)

Awaken your senses with a stimulating massage using fresh oranges from our own orchard and warm oil infused with citrus and mint aromas. This revitalizing treatment lifts your mood, restores emotional balance, and energizes your body, all with the natural goodness of Sóller's local products.

Ayurveda – Abhyanga (80 min)

A deeply balancing massage performed with personalized oils selected according to the predominant dosha. This treatment helps restore the body's natural energy flow, promoting harmony, relaxation, and overall well-being by rebalancing body and mind.

WARM RELAX

Ayurveda - Pinda Swedana (60 min)

A deeply relaxing massage performed with warm pindas—cloth bundles filled with seeds and infused with oils. The gentle heat and aromatic ingredients release tension, soothe the body, and provide a comforting, warming sense of well-being.

Hot Stones (70 min)

Geothermal therapy using hot volcanic stones together with hand massage. The heat slowly given off by the stones induces a state of relaxation.
